Notes: (1) "State Eligible" means that the community falls below the minimum grant threshold and its allocation is transferred to the state. If the community is in an Urban County and enters into an agreement with the Urban County, the funds it would have been allocated would be transferred to the Urban County. Note that with FY 2006 appropriation, the 0.014% minimum grant threshold is \$518,000, the minimum with the proposed FY 2007 appropriation less the \$200 million challenge grant is \$388,000.
